Melodic upbeat, downtempo unusual trance and electronica 12 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Trance Details: Cepheid Variable is a solo artist who writes and composes Electronica tunes, often trying to incorporate unusual and/or symphonic instruments against a kicking beat, with an enjoyable melody. The style varies from Trance to Dark to Psychedlic and it's widely influenced by many electronic artists since the mid-to-late 1990s and of recent. Most of the music is instrumental, but every once in a while a track may include 'poetry' or lyrics. BACKSTORY - (Jason Stephenson) I learned music at an early age, taking piano and music theory lessons at The R.D. Colburn School of Music and the Arts in L.A. and musical and artistic sessions at I.S.O.M.A.T.A. of Southern California. Only recently have I been making my way into creating and recording electronica dance music.
