He was raised in the dubbs of East Oakland by his father and in Richmond, c.a. by his mother. M.G.M. has always had a love for music, he was inspired at a young age by artists' such as Run DMC, 2livecrew, Slick Rick, Tupac, Notorious B.I.G., Too Short, and Mac Dre just to name a few. Choatic has been rapping for the last 10 years. Influenced by his older brothers and friends he fell in love with Hip Hop and started flowin when he was about 12 years old. As he grew up he saw his older brother and friends battling in free style sessions and breaking out linoleum to break dance. I loved the music cause it was talkin about life and reality, Choatic says of his love affair with Hip Hop. It talked about what was going on with life.people barely getting by but still having a good time, partying and hanging out. He ended up freestylin with his brother and found he loved doing it. He began to realize he was good at it and began making underground tapes over other peoples beats. I would be in the bathroom recording with two tape recorders. Id make these bootsy tape recordings and sell them to others, he says. They enjoyed them and kept asking for more tapes so I decided to turn it into a career. The name Chaotic came from his strong vocal style of rap. When hes flowin people say it sounds like a war is going on. He feels his name represents the chaos of life and the world. By the age 14 Chaotic was hustling and grinding in the streets, doing what was necessary for his survival. But music was always his 1st love so he stayed at it no matter what. Chaotic signed a record deal with Kenny Taylor in 1997 and never heard from him again. He then signed a 1 year contract with Sea of Green records in 1998, with owners Joe tha Boss, Al, Partee and Monk Funk. It wasn't until 1999 that Chao joined Che-D-Ness and they became the Aphiliates. By 2002 the Aphiliates had a few producers who were ready to invest on their album, they chose to work with

DDosia and recorded heat. Their 1st album, 'This is the life that we Love', dropped April of 2004. The Aphiliates performed at clubs like Mingles, Sweet Jimmys, Mission Rock, The Octopus lounge and at UC Davis, and the San Jose Arena. They have opened for E40, Mac 10, Dubb C, Sea of Green, and Andre Nicaena. They needed more money behind the operation so hustling harder and better became ..1 priority. Mr. Get Money wanted to be the MAN behind his own operation so he purchased the best of the best studio equipment, got his business license and opened Corner Pocket Studios/Get Money Entertainment. It's a independent artists' label looking for distribution and labels. Upcoming artist and albums include Che-D-Ness of the Aphiliates, STORM "The Bay's Queen Lady", The young and The Restless, Cypher Boys, Mia, The Aphiliates 2, Proc naz, and more. Mr. Get Money put his solo album "Team Manager" together, which has several hot artists featured, such as mistah F.A.B, Keak da Sneak, 3 of Da Outlawz, and Clyde Carlson of the Team, just to name a few. He also got his album mixed, mastered and pressed up independently. "My goals as a solo artist, is to let people know about me as a person, and about how my entire independent project rose from the ground up". M.G.M's goals for 2006-07 is to push his solo effort and create a buzz across the united states and then would wide. "My project is not just a cali sound it's a world wide sound". Chaotic reveals.
