Three sisters perform original contemporary Christian music, combining vocals, piano, harp, flute, viola and drums in a unique range of styles from pop rock to classical. 11 MP3 Songs GOSPEL: Contemporary Gospel, KIDS/FAMILY: Kid Friendly Details: Three sisters, Katie Jo, Jill and Haley Buccola, the Daughters of Zion, perform original contemporary Christian music, combining vocals, piano, harp, flute and viola in a range of styles, from pop rock to classical, sometimes joined by their 2 younger sisters, Jenny and Molly. Except for the classical piece, every piece on this album was written by Haley. She composes at the piano, then Jill and Katie Jo join in arranging vocals. Then some improv on harp (Katie Jo or Jill), flute (Katie Jo) or viola (their mother) is layered in. They hope to be joined by their father on classical guitar soon. Even though the girls have spent many years honing their skills, these arrangements are truly a gift from God.
