[DOWNLOAD HERE](#)

Dustin Lee is a 30s something guitar player, singer, and songwriter who has honed his craft since childhood. What sets him apart from peers with similar credentials is his authenticity, originality, and ability to speak from the heart. 13 MP3 Songs in this album (60:30) ! Related styles: FOLK: Alternative Folk, COUNTRY: Americana People who are interested in Neil Young Harry Chapin Greg Brown should consider this download. Details: Dustin Lee has released his new CD, titled "On My Way Back Home". The five month recording project coupled him with a fine group of seasoned industry professionals who provided a wide variety of performance and production support. Currently living in Milwaukee, Wisconsin, Dustin is a singer/songwriter who is native to Fort Madison, Iowa. He is well known for crafting moving, thoughtful, and poignant songs inspired by his life in the Hawkeye State. The new CD comes on the heels of his previously released "Milwaukee Acoustic Sessions", which was recorded shortly after his move to the area. Since arriving in southeastern Wisconsin, Dustin has been busy performing for a new legion of fans at a wide variety of venues. He periodically appears with other local, national, and international artists. "On My Way Back Home" was produced by TJ Oman and mastered by Gary Tanin. The CD spotlights Dustin's signature delivery and famously powerful vocals. It was released on the RockIt Records Recording label and has been garnering rave reviews.
