A blending of dark rhythms and atmospheric sounds that leave you wanting to hear more. A mixture of hard dance beats and ethereal orchestration brings you to the edge of what could be a feeling of isolation, or is it merely a need to break away from the norm... eXise, or Erik, is an independent industrial electronic musician from Connecticut. He has been writing music for about four years now. His previous works have made it to the top ten charts on Ampcast and Broadjam. eXise is a new project by Erik which consists of various forms of electronic beats. They range from classical to hip-hop and from breakbeat to industrial. Most of which are hard driven dance beats. Check him out, and feel free to contact him with any comments you see fit.
