Few Rap Albums can take you on an emotional roller coaster. Jon Jr delivers a message easy to digest and will relate to those who lived it or just love listening to it. 13 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Southern Style Details: A swagger jackers worst nightmare, a style beyond definition. At first glance. Is he R&B? At first verse Is he really from NY? A corporate education mingles with his knowledge of the street, living from the extremes of plush midtown Manhattan boardrooms to hand-to-hand sales on side streets far from home. The former All-New York State ball star, accustomed to autographs and interview requests, gives no second thoughts to the fame awaiting him in the Game he calls the music industry. Having passed on two major deals to launch his own production company, Jon Jr may be the most expensive artist you cant afford not to listen to. The self-proclaimed voice of the Grind Artist, is used to burning the candle at both ends, a master at juggling multiple lives. If youve ever discussed politics during an illegal transaction while comfortably seated in a gentlemens club, minutes before the start of your night class, with a firearm in the trunk underneath your team uniform you will relate to his story. If youre looking for hooks that never go stale and an artist equally as good at producing, youre in the right place. Jon Jr is sure to be raps next guilty pleasure.
