This "jazzy cabaret" artist's rich, sensuous voice, backed by a swingin' quartet, will melt your heart AND get it pumpin'. Songs ranging from Irving Berlin to James Taylor celebrate life, love, music, and the spirit's ability to keep singin' it's song. 12 MP3 Songs EASY LISTENING: Cabaret, JAZZ: Jazz Vocals Details: In her first CD release, this self-described "late bloomer" simply shines. The voice is "rich and sensuous with amazing clarity and presence... it melts the heart". Lauri's wealth of experience, both personally and professionally, is captured as she swings and croons her way through classics ranging from Irving Berlin and Cole Porter to Barbra Streisand and James Taylor. Her personal connection to the material is evident and she delivers it with honesty, soul, and plenty of charm. Lauri began her career in the San Francisco Bay Area where she starred in various musical theatre productions and eventually branched out into the world of Pop, R B, Big Band and Swing. In the 90's, Lauri was a member of the award-winning acappella group "About Face", where she gained local and national exposure, sharing the stage with the likes of Patti LaBelle, George Benson, and Natalie Cole. During that time she also sang back-up on recordings for such artists as Diana Ross and Teddy Pendergrass and performed in a variety of show bands. In 2004, with a desire to return to her musical theatre roots, Lauri earned her Masters degree from the prestigious Boston Conservatory. While she was there, she was chosen to be a featured soloist with the Boston Pops as part of their "Best of Broadway" series. Most recently, Lauri has been performing on The Empress of the North and The American Queen, entertaining audiences with on-board productions as well as her own cabaret show, which features the songs on this CD. With such a diverse background, Lauri feels like this CD ties it all together with her own brand of "Jazzy Cabaret", combining jazz, swing, torch, and theatre. She teamed up with some of the finest world-class musicians, including pianist and musical director Norman Bergen, who has produced and arranged for such acts as Tony Orlando and

The Tokens. Also featured are Scott von Ravensberg on drums, Steve "Trapper" Braun on upright bass, and Gary Caruso on sax, flute, and clarinet. With humor and heartfelt emotion, and with a voice that easily transforms from silky smooth to brassy belt, Lauri truly makes these songs her own... songs that celebrate life, love, music, and the human spirit's ability to keep on going... to keep "singin' it's song", so to speak. From the liner notes: "Putting this CD together has been quite an experience... a very soulful adventure... it's like thoughtfully picking out a gift for someone and feeling the excitement as they open it. My hope is that you enjoy listening to these songs as much as I've enjoyed singing and performing them. From my heart to yours... Miss Jones" In between gigs, Lauri makes her home in the beautiful Pacific Northwest.
