

Mp3 Liam Mayron - Shift

[DOWNLOAD HERE](#)

Liam Mayron's unique style of ambient electronica incorporates new rock and experimental influences in this latest release. 9 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Experimental Details: Liam Mayron grew up playing the piano and now applies his musical talents to electronic music. Music has been a productive hobby for Liam, despite being a researcher in computer engineering by profession. His music, principally dark ambient, has more recently drawn on a wider variety of influences ranging from experimental music to rock.
