A rainbow of songs about life and loving, created and compellingly delivered with intelligence, humor, perception, spirituality, and humanity. 12 MP3 Songs EASY LISTENING: Cabaret, EASY LISTENING: Love Songs Details: Dear Music-lover, When You Least Expect It is, in a way, a slice of life. I write about what is vivid and meaningful to me: hope for love, life's questions, spiritual vision, appreciation, and the delicious release of a good laugh. And while it's my "life-slice," so many people tell me I write and sing about things they have pondered and wondered and longed for. Perhaps you'll find that, too. I hope at least one song will feel like it was meant for you. Let me know. MZ Song Notes The songs are written in a variety of styles and colors: "When You Least Expect It" so many people say that to me, I felt it was a signal. "Too Soon to Tell" all the things you wonder "at the beginning." "I Wanna Be Wooed" let's just say, it seems to have struck a universal chord! "When Do You Try" I keep wrestling with this. "What Is Love, After All" "all my talk of love and how it ought to be what do I know?!" "You're Always There for Me" play it for your Mom on Mother's Day, or for your Dad, or whomever that special person is for you. "Taillights" when they leave, that's what you see in the dark. "Again" for soulmates. "Valse Nasale" my salute to vanity. "What If" Seat of the Soul in a song and in my heart "You'll Be Here" when that time comes. "With Me" born from Sept. 11, a tribute to Julie and Jonathan and their love.
