Related styles: URBAN/R&B: R&B Rap mix, URBAN/R&B: Deep Soul People who are interested in OutKast Lil Kim Aretha Franklin should consider this download. Details: "Meika B" is a phenomenal new hip hop artist. She has all the flavor of a true original and is sure to deliver the sexual feel you want and need. Like Lil Kim and Missy Elliot, Meika B is sassy and edgey. Meika B is thoughtful and introspective with her lyrics. She brings all of her new soul to the Icon label. "Kiwi" is about to burst upon the national scene in a way reminiscent of a young Aretha Franklin. Truly an amazing songbird of the highest order. You will wonder where this young woman has been! Her rendition of the Luke Lucas song, "Special Delivery" has the feel and sound of classic soul. "3MK" (Three Musical Kings), is a tremendous new hip hop group with clean edgey sounds, provocative lyrics and melodies that you won't soon forget. They have the personna and attitude that you will come to expect from this North Carolina trio. Hip Hop with a twist!
