The Art of Shifting Rhyme Demensions 20 MP3 Songs HIP HOP/RAP: Rap, URBAN/R&B: R&B Rap mix Details: With the arival of CT's first major commercial urban radio station in 2003, Milo Sheff invaded airwaves with consistent DJ Promos and has had a state record of 12 different songs featured on the top rated HOT 8 at 8 countdown. Milo's over saturation of his bouncy delivery and catchy hooks set the tone for a starving Hip-Hop scene in the hidden market of Hartford CT. Milo's first single "Last Call" was the first CT Rap record to be added to rotation at WZMX, and his second single "Wynd Up" received BDS spins on WZMX, WPHH, WKSS, WKCI, KKWD, and WDLT, among others. In 2004, He once again broke down doors with the in store release of "SHEFF HAPPENZ" birthing the idea of a "mix tape album" which included a DVD containing a BET Uncut music video and a documentary on his not so average life behind the spot light. Through radio airplay, special appearances, and live shows, Milo's name is respected among rappers and fans alike. Currently he is gearing up to independently release his highly anticipated album SHAPESHIFTER and is in the studio cooking up his next project CHEWABLE LIKWID which he hopes to drop on a Major label. With both projects featuring heavy production from CT's finest producers; SHAPESHIFTER and CHEWABLE LIKWID are sure to be classics. ******Shapeshifter's Finally Here Order Your Copy**860-331-4104 Or Chirp 183*141*115 Available on Itunes, CDbaby, And SMS.AC Next Week!!!!!Why Wait Order Yours Now!!!!!
