Penelope performs her musical puppet shows, The Rain is Coming, Dinosaur Dance, The Grass is Green, and Monkey Dance all over the Pacific Southwest. Her songs have great lyrics and singable melodies. Kid tested! My students love Penelope's "Rain is Coming" and Dinosaur Dance." Connie Spolar, 2nd grade teacher. Thank you for entertaining my school and I think you have a really great job. I really like your puppets and songs. I tried to make a song about crystals, but I couldn't think of words that goes with crystals. My brother really likes the song about the dinosaurs. His favorite line is, "If you want to live your life happy ever after stay away from the T-rex, stay away from the raptor.' He knows how to write songs, actually, he knows how to write poems...Sincerely, Crystal Tran, Del Amo Elementary, Long Beach Authors' Festival 2003
