

Mp3 Qpqqqpq - Life

[DOWNLOAD HERE](#)

"Listening his music looks like seeing movie." No words. Its world of only sound. So, our imaginations unfold. Please close your eyes. 13 MP3 Songs in this album (58:04) ! Related styles: ELECTRONIC: Experimental, ROCK: Shoegaze People who are interested in Atari Teenage Riot Aphex Twin Mogwai should consider this download. Details: Full album that becomes the seventh totaling piece of QPQQQPQ that already announces new album 'life' in span of about nine months from the former work 'Testament'. The style that it may be said even if hatred, a tragic but brave feeling or warm, a thing such as gentleness, of ken-zi who handles tune of this band. 'life' is his daily life exactly The composition of the album is also unique, the movement, quietness, and this gap set off music each other, and it draws it in a deeper state of the transformer. Various images stand while being possible to strain one's ears in this world, it appears, and the mystery and feelings good feelings can be obtained. These tunes are only what he only vomited everything. Therefore, it is wonderful. It is pure, purity, and healthy. Isn't it music? It is not the one that the audience was considered. It is a completely personal work. It his is chuleta, cell, and hair. Isn't it a creation? Man who announces such a wonderful work in a public place is wonderful in above all. It keeps truly pursuing real, and in his daily life, I would like you to listen to 'life' by all means. The whole volume will be covered with a tense tension, and your senses be stimulated. "QPQQQPQ" is a Band that Ken-zi writes music, produces and plays for himself.
