This CD is for anyone trying to produce a DEMO cd, or wants an R.Demus beat for the low low on their next album. His beats range from \$500-\$2500 in the local music scene. If you use one of these beatz, just give him Vi D.O. Entertainment credit on the insert. Since the loss of his brother in 1991, the way of the gangsta was all R.Demus was to know. Until Early 1999, when he began to lace his rage and hate into creating beats. As his music progressed, he was recruited by Vi D.O. Entertainment. By which he was teamed up with his new partner in crime, K7LEETHA. After which they formed the United Soldiers Affiliation. Now 28 years of age, R.Demus is balancing his family life and maturing from his trigger happy old ways. This cd is to make preparations for his solo cd "Anatomy of a Gangsta" which is being prepared.
