Mp3 Rusty-like - Pirouette

DOWNLOAD HERE

Possibly an amalgamation of sixties lounge, pop and garage sounds rusty-like embodies music from the heart with a twang and touch of bubble gum. 12 MP3 Songs POP: Folky Pop, ROCK: Folk Rock Details: Even today, some music is born of innocence and honesty. Played straight from the soul, with good friends and musicians, rusty-like evokes the feelings we've all had about love and life. Through interacting guitars, a collection of colorful instruments, and one emotive voice, the band weaves the common man's pop album. Denis Samoree's yearnings and revelations dip and spring off Josh McCurdy's lead guitar. By fuseing fussy bubblegum pop, lounge chords and a heavy twang, rusty-like challenges the premise that short and sweet tunes are filled with fluff. Pirouette sends you happily spinning where with every twirl you hear something new.
