

Mp3 Sharaab - Infusion

[DOWNLOAD HERE](#)

Elements of Indian classical and folk as well as Middle and Far Eastern music, which integrates seamlessly with contemporary electronica, ambient, downtempo, breakbeat, and drum'n'bass. 10 MP3 Songs WORLD: World Fusion, ELECTRONIC: Trip Hop Details: Sharaab (real name: Saurabh Bose), is an award-winning producer/composer/DJ who is re-defining the sound of 21st century multicultural America. Firmly established as one of the pioneers of the Asian Massive scene in the United States, Sharaab has earned residencies and DJ slots in several prominent Atlanta venues as well as bookings at national and international levels, from New York to Seattle to Mumbai, India. He has enthralled thousands with his unique, multi-layered, intoxicating DJ sets and has worked and shared the stage with a host of luminary artists on the cutting-edge of the electronic music scene, including Talvin Singh, DJ Spooky, Ming FS, and Karsh Kale. Sharaab's signature sound incorporates elements of Indian classical and folk as well as Middle and Far Eastern music, which he integrates seamlessly with contemporary electronica, ambient, downtempo, breakbeat, and drum'n'bass styles. Sharaab has currently released his first full-length solo album, titled Infusion. With his trademark sound propelling the breaks and beats along, Infusion will permanently cement Sharaab's place as one of the most innovative artists in the burgeoning world electronica scene.
