Ambient Soundscape, Meditation/Relaxation 11 MP3 Songs NEW AGE: Healing, NEW AGE: Meditation  
Details: Piano, chimes, and nature's soothing sounds are most relaxing in The Clouds In The Looking Glass. After a stressful day, one can sit back and relax to this wonderfully meditative music. The Clouds In The Looking Glass continues to be used by SoulArtGallery artist, Eveline Maria Smith, in Montana who conducts art workshops for Camp-Mak-A-Dream (workshops for cancer survivors). "I played Sues CDs and they all loved them! They shared how relaxed listening to them made them feel. One thing I noticed they didnt want to leave and three stayed just visiting through the second session," remarks Eveline Maria Smith of a recent workshop. In the educational arena, The Clouds In The Looking Glass is currently being used in classrooms in Virginia Beach, VA. English teacher Sharon Stellmach states, "My students focus on long-term writing assignments so much better when I play this CD. They never want me to turn off the music--even when they're taking a test,and I'm amazed at their improved test scores!"
