A Lonely Pianist playing in the night. Comforting somehow. 6 MP3 Songs FOLK: Gentle, NEW AGE: New Age Details: TM is trying to get it simple, after playing piano for 40-something years. Much of this music was created for a Hypnotherapist, to aid her work with her AIDS patients. Simple and Soothing was the goal. . . He has many more, more complex piano pieces waiting to be recorded, going back for many years. They should surface as "Pure Piano Pieces" sooner or later. A more complete biography can be found at his website, tommymandel.com.
