

Mp3 Various Artists - Just Listen

[DOWNLOAD HERE](#)

The UN of Indie Electronica Next Dimension Music is captain on an international acoustic journey. Melodic acquiescence, thunderous baselines and tempestuous composition. it is quite an adventurous ride from the Americas to Australia. 10 MP3 Songs in this album (49:14) ! Related styles: ELECTRONIC: Deep House, ELECTRONIC: Chill out People who are interested in Massive Attack Jimpster should consider this download. Details: This ndm family compilation is at once, ethereal and deep, uplifting and down-tempo; a surrealist journey, a rhythm collective. Just listen; take a trip. Float and listen. Break and listen. Transcend and listen. Move. Groove and listen. Soar. Climax, breathe and listen. Trip and listen. Praise the sound, love and listen. Thank you for traveling through the next dimension. We are not only the next dimension of sound and time but of art. music. culture. faith. life. And, love. A journey into a space bound only by talent and imagination. Unlock the doors of your mind and Just Listen. Peace.
