Brazilian Jazz, Bossa Nova, Samba and a couple of Boleros, very tropical. 11 MP3 Songs JAZZ: Bossa Nova, WORLD: Samba Details: "I'm reminded of a Russian film set in the pre-Democratic U.S.S.R.. The main character dreams of Brazil, the warm and sunny beaches, the beautiful women. He wears a white suit around the streets of his oppressive city feeling somehow this will bring him closer to his dream. This unpretentious recording of Yashmin Charnet might serve as your white suit for it quietly lifts the heart, a 47 minute dream of Brazil." Jerry Jensen Writer for Just Jazz Guitar Musicians: Ross Schneider - Harmonica David Kikoski - Piano Enrique Lopez - Guitar Caco de Oliveira - Percussion Yashmin's CD Jobim, etc. is on syndicated jazz DJ Bob Parlocha's top 40 list. 2/17/2006
