

Outrageous Thai: Slang, Curses And Epithets - T. F. Rhoden

[DOWNLOAD HERE](#)

The Thai people appreciate foreigners who speak their language. But how about foreigners who throw insults in the Thai language? Outrageous Thai is designed to teach non-Thais to understand the everyday spoken language along with local slang, curses and epithets. Intended for just about anyone who wants to get the most reactions from any Thai within hearing distance, this book is simply the best reference you need to survive in Thailand. Author: Rhoden, T. F.
