

Route 66 Lost & Found - Russell A Olsen

[DOWNLOAD HERE](#)

Much more than a ribbon of crumbling asphalt, Route 66 is a cultural icon revered the world over for its nostalgia valuean east-west artery pointing America toward all the promise that the great West represented. But as stretches of Steinbecks Mother Road were bypassed and fell into disuse, so too did most of the bustling establishments that had sprouted up from Illinois to California to cater to weary travelers and hopeful vacationers alike. Motor courts, cafes, main streets, filling stations, and greasy spoonsall are represented in this second volume of Lost Found images from photographer Russell Olsen. As with its predecessor, Route 66 Lost Found (2004), this new installment presents dozens of locations along Route 66s entire 2,297 miles, showing them both as in their heydays in period photographs and postcards and as they appear today. Each site is accompanied by a capsule history tracing the locales rise and fall (and sometimes rebirth), as well as an exclusive map pointing out its location along Route 66. Author: Olsen, Russell A Publisher: Voyageur Press Illustration: N Language: ENG Title: Route 66 Lost & Found Pages: 00160 (Encrypted EPUB) On Sale: 2006-07-01 SKU-13/ISBN: 9780760326237 Category: Antiques & Collectibles : Americana
