How To Quickly & Easily Protect Your Affiliate Commissions From Link Choppers, Look 1000 Times More Professional, And Instantly Increase Your Affiliate Profits By 900 Or More... Guaranteed!" (Plus, I'll Reveal Exactly How You Can Save Yourself \$97.00 In The Process!) I bet you're thinking this is a sales letter, aren't you? If you are, you'd be wrong! theres no doubt about it affiliate marketing sounds easy, but its actually pretty tough! Affiliate marketing is the only thing about website building you cant fake ...either the clicks are there, ...or theyre not! And when theyre not, the checks are small! In case you don't know what affiliate marketing is I'll give you a very simple explanation and show you how you can protect yourself easily and for FREE! Affiliate Marketers can earn huge commissions by promoting other peoples products or services. If you have a website and wish to make money without having to develop products, or build complex technology of your own, affiliate marketing allows you to make money by simply promoting other people's products and/or services in return for a percentage of the commissions. It is an effective way for you to make money with your web real estate. If you advertise your own products online, affiliate marketing is an efficient way to generate additional monthly passive income. It's a very cost

effective form of advertising for merchants, a way of extending reach to more and more customers. You may not be aware of this problem, but if you promote any affiliate program, it is almost certainly costing you a substantial proportion of your commissions. The problem starts when instead of simply clicking on your affiliate link, a customer copies the link into the Address field at the top of their browser and modifies the link before using it. // priceless product visit my store andrykesuma.tradebit.com
