

The Soul Survivor - , Shawn Doyle

[DOWNLOAD HERE](#)

This book is inspirational and serious because it is about a real life accident and overcoming adversity. Even though those are heavy topics- it is also important for us to capture Joes unique personality and sense of humor. It adds to the message we are trying to deliver. Overview and how this book is different! The purpose of Soul Survivor is to tell the real life story of Joe Townsend, who was flying one day with his family and due to mechanical failure the small plane he was piloting crashed- killing Joes wife and two small daughters. Joe was critically injured and survived brain injury, a stroke, hours of surgery and months of physical and emotional pain to survive and then to thrive. Through grit and determination, he then began to rebuild a new life. This inspirational real life tale of overcoming adversity will get people to realize their own true potential. When they read this story, they will understand that if one man can overcome this kind of horrific adversity, then anything in life is possible. There are no limits. Author: Townsend, Cap. Joe Author: Doyle, Shawn Publisher: Destiny Image Illustration: N Language: ENG Title: The Soul Survivor Pages: 00176 (Encrypted EPUB) On Sale: 2011-08-16 SKU-13/ISBN: 9780768439588 Category: Religion : Christian Life - Inspirational
