In Ultimate Productivity,Â Jim Stovall strikes at the heart of success and failure by uncovering the secret to maximum productivity.Â Natural and human resources abound, but how they are harnessed to create personal success is determined by ingenuity and productivity.Â This book reveals this secret by helping a person discover and release core strengths in the three critical areas for maximum success:Â motivation, communication, and implementation.Â In the final analysis, this book teaches an invaluable lesson:Â a person cannot be judged in comparison to anyone or anything but only in the reflection of our individualized mirror that reveals our hidden potential.Â Ultimate Productivity will help unlock that potential by enabling a person to formulate a customized plan that perfectly fits their unique productivity and leadership style.
