Contact Automator - As you know, each time you send an email to your list, many of your prospects don't even get to open your message, never-mind read it! Why? Spam filters. Even if your message isn't filtered there is so much spam around now that your message can very easily be confused with spam and get deleted. I've done it, you've probably done it, and you can bet the people on YOUR list do it too! Here are just a few of the ways you will benefit from Contact Automator:

- \* Newsletters - Guaranteed delivery of every issue of your newsletter -- no more accidental filtering or blocking of the e-mail version by ISPs and filtering software!
- \* Special Offer Alerts - Your prospects get instant notification of all your latest special offers!
- \* Backend Promoter - Strike up affiliate partnerships and promote them through Contact Automator.
- \* Affiliate Updater/Motivator - Inform your affiliates of your new promotional material and products. Keep them up to date with their affiliate stats and motivate them to make YOU more money!
- \* Membership Sites - Run your membership site through Contact Automator, now your members will always know as soon as you add new content.
- \* Product Updates - Inform your customers of the latest updates to your products so they can get instant access without even opening their browser or email program!
- \* Download Area - Have your website download area contained within Contact Automator so you can bring people back to your offers long after they download your freebies!
- \* And many, many more!
