Near rape of a new bride by a young husband on a wedding night leads to sexual events to follow...

Megan is one uptight housewife. Can she ever truly loosen up and change? Will her wild sister-in-law convince her to attend an orgy in an attempt to win her husband back from his teenaged lover? Note:

Interesting situations. Erotic fiction - A graphic novel with sexual scenes and situations. Excerpt: Jim's

eyes swept over the tightly pulled wool sweater that hugged Ginnie's full, soft breasts, showing the round coin-shaped swellings of her nipples in disturbing detail. He wondered how those two babies would feel in

his hands. "This is the third time this month that you've done something like this, Ginnie ... I can't continue to make special rules for you ... after all ..." Jim heard his own voice droning on and on, but he really

wasn't thinking about what he was saying, his mind seemed fogged with a dull kind of longing, and once more he cast a glance between those lithe and lovely legs that Ginnie Reordon parted further still while

he was speaking. "But it's for my little brother's birthday present ... I mean, that's what the check was for ... and if it bounces, I'm afraid that ..." "Well, Ginnie ... that's unfortunate, but if the check comes in I'm

afraid we'll have to return it. We've already paid on two other checks of yours, and the bank can't continue

..." "You said that already, Mr. Carroll," Ginnie said, sweetly smiling up at him. She rose and moved closer to his desk. Jim made an imperceptible move backward in his rolling chair. Jeez, what was she going to do now? He looked frantically toward the door of his office and was glad to see it was closed. It wouldn't do to have any of the employees seeing this young girl getting so familiar. Ginnie's flowery perfume drifted across the desk to him, and Jim realized that she was moving around toward him just a few seconds too late. Or had he really wanted to stop her? ... he was to wonder many months later. Already the girl's neatly manicured fingernails were touching lightly at his face, her soft, pink lips approaching his face for a pouty kiss, her auburn hair falling across his eyes, as her tiny pointed tongue emerged from between her wetly parted lips.
