We are a mixed Gendre of Acustic Rock, Blues, Jazz and Country 12 MP3 Songs FOLK: Power-folk, JAZZ: Latin Jazz Details: The Cocobola Club was formed Alex Causey, Rich Leon and Mike Urso in November of 2005 from a Jam session on a Sunday afternoon. The members of the Cocobola Club all have many years of musical experience in writing, recording and performing. Their influences range from D'jango Reinhardt, Crosby-Stills Nash, Bob Dylan, The Beatles, Hollies, Stones, Bach,Beethoven, Tchaikovsky, Etc. Cocobola: N :- The hard durable wood of any of several tropical trees of the "Genus Dalbergia"of the legume family used in the extensively in the production fine guitars. The wood is found in Brazil where the mountain Indians say if you "Stare into the grain of rosewood long enough, you will see visions of the future". The Album was recorded live in a Studio in Cerritos,CA by Rec. Eng. Joey Mendoza. "Who was a lot of fun to work with". We recorded one song at Mr. 'B'S Studio in Downey CA. The music starts off with A. Causey singing and playing rhythm guitar,R. Leon playing lead guitar on the first song. Then R. Leon sings the next song while playing rhythm guitar,A. Causey plays lead on that song. We continue to switch. M.Urso plays the base on all the songs. M. Urso does harmony, Lina Hayek does harmony,Patrick Capili on drums. A special thanks to all who helped on this project! On the cover of the album is a picture of a 1930 V-16 Cadillac and is the car we ride around in from time to time. If we ever receive a "Grammy" for one of our songs and the award show is in Hollywood, we will show up riding in the V-16. All the Lyrics Music have been written or co-written,produced and published by A. Causey,R. Leon M. Urso. These songs have been registered with the Library of Congress at the Copyright office.
