

# Mp3 Alexandra Georgiadis - Everything Left

[DOWNLOAD HERE](#)

"The music on Alexandra's debut CD hits the Adult Album Alternative genre perfectly. From the poignant opening track, Belly Full of Ache, to the bitter sarcasm of "Johnny", right through to If I Call Out The Stars a song of longing and desire. 5 MP3 Songs POP: Delicate, FOLK: Folk Pop Details: Alexandra Georgiadis is a singer songwriter of exceptional talent. She sings with a passion, deep and heartfelt. Her music evokes an influence similar to Anna Nalick and Tori Amos. Her music and lyrics are born from personal reflection, with an almost spiritual reverence for life's trials and journeys of personal discovery and introspection. This new artist has the attention of many industry insiders, her potential is endless, as she takes her place among her peers. The music of Alexandra Georgiadis will touch you, affect you, and show you that, as in life and personal discovery, Everything is Left
