Delaware's best original rock n' roll band combines beautiful melodies with a diversity that is unmatched, listen and judge for yourself. 14 MP3 Songs ROCK: Modern Rock, POP: Today's Top 40 Details: Artificial Reason is a high-energy, original band that plays each and every show with passion and style. The band's first independent album release, "48," is an exciting and layered, rock 'n' roll record that grabs the listener immediately with unshakable hooks, passionate vocals and driving rhythms. Artificial Reason has been busy lately playing more than 100 shows in the mid-Atlantic area. This year they performed as a featured act at First Night in Wilmington, DE where they actually had to close the doors because of the enormous crowd they brought in. The band has played the Dewey Beach Music Festival for three consecutive years and they also have performed at the Dewey Beach Pop festival. Favorable comparisons of Artificial Reason's musical style have been made to Radiohead, Jeff Buckley and U2. The tight four-piece unit features searing vocals and explosive guitar set over a solid rhythm section of heavy-bottomed bass and drums. Artificial Reason engages its audience with a live performance unequalled to its competition. They put their heart and soul into every show no matter the venue.
