"BREATHLESS, HAUNTING, MESMERIC, ETHEREAL, DOPE, PHAT, HEAVY. BEYOND DIVINITY, ECHOES THE SUBLIME." -Satyricon Paula Catherine Valencia and Daniel Martin Diaz have been creating music together for several years and have had the privilege of collaborating with many talented musicians. They have written the film score for the Award-Winning New Zealand Feature Film, Orphans and Angels. Their music has been licensed by MTV, VH1, A&E, Discovery Channel, History Channel, Disney Channel, Sony Picture, and more. If one could break down all the elements of Blind Divine's sound--the mix of moody beats and emotional female vocals, the pensive, sentimentality of the song writing, the sublime hooks, the romance and urbanity--but Blind Divine is more than the sum of its parts. These prolific songwriters are fresh without being self-conscious, classic without being derivative. Blind Divine is currently writing the film score for the New Zealand feature film Eternals. ----- Links To Other Releases
