R&B Rap EP with a BONUS Techno EP "'Close 2 Nutin' (the title track) - A beginning of a relationship that he never thought would happen. All the trial and tribulations that life has to offer, and how to withstand the critics". 10 MP3 Songs URBAN/R&B: R&B Rap mix, ELECTRONIC: Techno Details: He's back and if you felt 'The Balance of Nature' then hold tight. The first ever double EP. Cesar is going to show you two sides of him that you have never seen before. 'Close 2 Nutin' is a EP containing songs voicing the experience that men go through trying to keep a women. This is the EP as Cesar would describe it: "'Close 2 Nutin' (the title track) - A beginning of a relationship that he never thought would happen. All the trial and tribulations that life has to offer, and how to withstand the critics". This EP allowed Cesar to explore a different relm of music than what was given on 'The Balance of Nature'. Cesar is giving you the realness of the ying and yang on this EP which is a totally different lesson than given on 'The Balance of Nature' which was Street Detroit education. For the rest of the details cop the CD and listen to the cuts. As a bonus for those who like to party the EP 'MegaJoint' is the sound of Detroit Techno that will bump in your car and bang out the club. Check out the full bio under 'Cesar' 'The Balance of Nature' cop that too if you haven't already.
