Soft, classical renderings of timeless childrens songs lullabyes, piano and string arrangements to soothe both parent and child and capture the tranquil images of early childhood. 15 MP3 Songs KIDS/FAMILY: Lullabies, CLASSICAL: New Age Details: Christine was born in Frankfurt, Germany, in 1962, but raised in Colorado, graduating from the University of CO in Business. She discovered her talent and love for the piano at an early age, taking piano lessons and accompanying vocal groups throughout her school years. After the loss of her mother, Christine began composing and was inspired to pursue her lifelong passion. "I love being able to express myself through music and playing the piano. Creating music is an incredible feeling, and sharing this music is truly gratifying. I am so fortunate to have the support of my family and friends to encourage me to pursue my dream." Christine now resides near San Diego with her husband and two sons.
