

MP3 Clare Fischer - Introspectivo

[DOWNLOAD HERE](#)

A thoughtful compilation of both original music that Clare has written and standards that he has played over the years - indeed an introspective recital of songs. 24 MP3 Songs LATIN: Latin Jazz, EASY LISTENING: Mood Music Show all album songs: Introspectivo Songs Details: Over the past few years I have had the opportunity to study my father's library more closely while organizing his originals into the Clare Fischer song books for his publisher, Advance Music. I came across a variety of songs that had been written over the past 30 years, but for one reason or another had never been recorded. Now finally they have their place here in this collection. Songs such as "Quiet Reflections" and "Bells" were written recently, whereas others, especially "Borboleta," were written decades ago. Each of these songs is like a gem that has been hidden away and rediscovered. I hope you will enjoy listening to these now as much as I did when I first found them and put them in front of my father to play once again. Brent Fischer
