Spoken words of love and eroticism 10 MP3 Songs SPOKEN WORD: Poetry, SPOKEN WORD: With Music Details: Dee Robinson Jazz Poetess Dee Robinson is a poet. She celebrates the essence of relationships--not just between men and women, but the relationship we have with ourselves, the universe, and the elements that inhabit our world. She has the ability to allow us to feel as we hear and to experience as we listen. Dee is a free spirit who participates fully in the treasures of life. She is an artisan who uses words as her medium and our imagination as her canvas. Dee freelances as a speechwriter, ghost writer, editor, and is appropriately known as the "RightWriter". She began performing poetry publicly in 1993 as a member of Klub Kuumba, a poetry collective based in Atlanta. Dee's extraordinary talent has wooed audiences at a host of social events like the National Black Arts Festival, Borders Bookstore, the Public Broadcasting Stations' convention as well as readings throughout the metropolitan Atlanta area. Not only is this magnificent woman a performer of the spoken word, she is a vocal stylist whose melodic tone invigorates the spirit and cradles the heart. Dee's debut CD titled WomanFlower, features poetry at its best--a unique blend of sensual verses backed by a tantalizing and soft jazz/R&B mixture that excites the senses. Her melodic voice is enchanting, seductive and smooth...a delightful style she calls "speaksinging". The CD WomanFlower embodies a multitude of themes associated with love-romance, pleasure, sensuality, passion, and excitement. It's a collection of songs that counteract the negativity and lack of respect popularized in much of today's music. WomanFlower was originally intended for a mature-listening audience to appeal to that niche market craving for its voice to be expressed, however, the appeal of Dee's poetry transcends both age and gender lines because of a respect for love and the splendor it embodies. Dee explains, "I offer a more mature approach to love because I've lived it." What's the motivation behind Dee's craft? Simply put, she possesses a deep

affection for life and love. "I profess to be no more or no less than what I am--a lover of words, a lover of life, a lover of love, a poet." CONTACT INFORMATION Dee Robinson Mentaltainment, LLC P.O. Box 16652 Atlanta, GA 30321 (678) 418-6200 deerobinson1@yahoo.com
