

Mp3 Frankie Cutlass - Puerto Rico 2006

[DOWNLOAD HERE](#)

Frankie brings a powerful fusion of Latin Rap, Reggaeton and Dance that is infectious to the heart and mind of any music lover. Featuring some of today's hottest hip hop artist's such as Voltio, Lumidee, Joell Ortiz Yomo Toro. 9 MP3 Songs HIP HOP/RAP: East Coast, LATIN: Latin Rap Details: Unsurpassed energy and style continues to take root in the musical consciousness of America. The Cutlass sound forms the backbone for much of today's popular music, such as on the Charlies Angels soundtrack, Part 1 certified 3x Platinum-selling soundtrack, the Gloria soundtrack, Jennifer Lopez's Let's Get Loud DVD even a Blockbuster Movies television commercial. Frankie Cutlass, born Frank Malave in New York City, Spanish Harlem. Frankie started picking up fans at local parties and clubs as a precocious and talented 13-year-old DJ In the 1980s. By the early 90s, Frankies interest had expanded into production as well as performance, leading him to work with popular artists such as Notorious BIG, Busta Rhymes, Red Man, Fat Joe, Mobb Deep, MOP, Doug-e Fresh, KRS One, Shaggy, Biz Markie, and many Others. In 1994, Frankie used his own label, Hoody Records, to produce his LP The Frankie Cutlass Show, from which his single Puerto Rico exploded onto the underground club circuit to become an instant classic. Puerto Rico, a ready-made anthem for the Puerto Rican Day Parade the Latino audience who embraced it enthusiastically paved the way for Latin Hip Hop artists just starting to carve out a niche in Americas music scene. His current project speaks for itself, a newly remix of his classic club hit anthem Puerto Rico which features Sony recording artist Voltio, Universals recording artist Lumidee, Joell Ortiz winner of the 2004 EA Sports NBA Live Battle, plus Latino superstars Barrio Boys, and Yomo Toro. Frankies Puerto Rico remix single has currently captured the attention of Hot 97s own Funk Master Flex and DJ Kay Slay; both DJs are playing the record on their shows and thats not all, Frankies new street arsenal "You Never Had a Bang out" which features G Units recording artists Mobb Deep Violator Artist Papoose has made

its way to Kay Slay Papoose New Mixtape Down with the King The Final Chapter Boyz in The Hood
With this instant buzz Frankies third full-length album, tentatively called The Wrath, should be a gem. The album will feature more of todays hottest Hip Hop artists Such as G-units Recording artist Mobb Deep, Busta Rhymes, Voltio, Lumidee, Joells Ortiz, Jim Jones, and many others. So watch your back, hes here to stay, the Hip Hop Giant is back
