Western Swing, Rockabilly, Traditional/non country, great fiddle tunes and even a Hawaiian song, topped off with a salute to America's bravest, including bagpipes, Hammond B3 and pedal steel guitar. 14 MP3 Songs COUNTRY: Western Swing, ROCK: Rockabilly Details: Interstate Cowboy's Debut CD - Ranch Dance Ruckus is a combination of Western Swing, Rockabilly, Classic Country, and some great fiddle tunes by Champion fiddler Cody Robison; including the Molly Mason and Jay Ungar tune "Lovers' Waltz". You won't find a more beautiful arrangement! Listening to this CD is like going to a country dance with a stellar band that plays a variety of really great songs, most of which you've never heard. Yet, somehow, the more you hear them, the more they feel like standards. To top it all off is a song titled "I Want To Be A Fireman", a poignant story about a little boy who dreams about being a firefighter - in spite of the dangers. TRACK LISTING: 1.
