Jay burger:orders across borders commander and chief in hiphop.No dout god's giving gift to a man that espress the spoken word through poetry with style.When I speak I shout like a giant with a temper.When I battle I'm like king David a great man in bible 17 MP3 Songs HIP HOP/RAP: Hardcore Rap, SPOKEN WORD: Poetry Details: What's up soldiers! First of all I'll like to thank you for checking out my files to learn a little about me.I'm a independent HIPHOPrap artist from Bakersfield California.Music is my medicine,my healing factor,my cure.I grew up listening to musicians like George Clinton,Funcadelic,BootsieRubberband,GeorgeMicheal,Billy Idol,Posion,Gladous Knight,Pointed Sisters,Aritha What's up soldiers! First of all I'll like to thank you for checking out my files to learn a little about me.I'm a independent HIPHOPrap artist from Bakersfield California.Music is my medicine,my healing factor,my cure.I grew up listening to musicians like George Clinton,Funcadelic,BootsieRubberband,GeorgeMicheal,Billy Idol,Posion,Gladous Knight,Pointed Sisters,Aritha Franklin,Parlament,Commadors,Cammeo,Earth wind and fire,Prince,Madonna,Luther Vandross,and many more that was in the late 70's and through out the 80's.The HIPHOP rap musicians I grew up off of is Erik B and Rakim,Stedy B,Fatboys,Tone Loc,LLCoolJ,IceT,NWA,KRSONE,CoolG rap,Big daddycain,Sugerhillgang,Kirtisblow,and many more.After many years of listening and singing along with the songs I begun to write my own songs at the age 14.After many years writting songs I became a better song writer.Some people say I'm a genuis but I take that as a compliment not as a way to say that I'm better than the next person.I have gained a lot of support in my hometown which builded my confidence and strenghten me with in to continue to make progress.I don't make music for the fame,ladies,or money which automatically comes with it if sucessful in the bussiness.I love the art very much thats a actual fact.I'm just a common man that have a dream to make as much music as possible

and become successful in the music business. Through CDBaby it might have begun to launch off this planet to the next. I wish you the best things in life take care. My Album is called Orders Across Borders and it can catch your mind, heart, and soul. I get deep with depth in my music. I'm not just a rapper I also sing on some of my projects. I have a message, I have something to make an individual think I also have something for the ladies clubs, and house parties.
