[DOWNLOAD HERE](#)

Puerto Rican guitarist and singer/ songwriter Jos "Pepo" Saavedra presents his first CD, Veredas Verdes, following the tradition of Latin America's Nueva Cancin that combines elements of poetry, beauty, and storytelling he brings to life songs that deal 13 MP3 Songs WORLD: World Fusion, WORLD: World Traditions Details: Jos "Pepo" Saavedra's first album Veredas Verdes - Green Paths, composed of many stories, poems, and dreams written and composed through many years and in different countries. Features guitar, cello and violin ensamble. The songs, born from his experience and philosophy of taking songs to action, this work not only belongs to him. It belongs to all that have shared the road toward what is just and humane. Also available Jos "Pepo" Saavedra's second album, Versos Reversos (Verse Reverse) with a collection of songs in the folk music tradition of Latin America's Nueva Cancin. Pepo and his guitar will take you on a journey with an acoustic World Music sound in Spanish and English that echoes the many places, stories, and realities portrayed through his music. The album composed and performed by the artist, features a violin and percussion duo. Combining social commentary, storytelling, and wordplay, Versos Reversos is a celebration of language, music, and poetry that invites us to reflect on what makes us human and what brings us together.
