This project was made possible by the volunteered time and talents of the following people: Dwight Beal (engineering, mixing, mastering, show host), Becky Stewart Schicker (support, love, financial stability), Anne Pageau (design), Mark Dykema (guitar), Danny Reyes (drums/percussion), Necia Ornee (vocals), Daniel Maat (bass), Evan Hunt (photography), Joe Voss (legal), Joel Kathy Schoon Tanis (lodging, ears), Ben Lindvall (ears, encouragement) and all those who attended the concert (clapping and/or singing, yelling, etc.). It was truly one of the best musical experiences of my life! It is with great satisfaction that I present to you these songs. All tracks were recorded live in front of a live audience of friends on a blustery winter night in Holland, MI after one full rehearsal. It should be mentioned that we revisited a few moments to repair a couple of notes so they weren't distracting. My friends are pretty talented as you will hear. Enjoy!
