Emotional Truth. Rock Flavor. Motown Influence. Music for people of all shapes, colors and sizes. 10 MP3 Songs URBAN/R&B: Soul, ROCK: Emo Details: In every generation there is an artist who pushes industry standards and musical tastes to the limits, and Joy is such an artist. With an unusual and eclectic mix of Emo, Soul, and Rock, this amazing singer/songwriter offers listeners a musicality far beyond her twenty years. Her music is beautifully constructed lyrically and musically to explore the complexities of the human spirit. The full length debut album Set Free (Release Date: September 23, 2006) is both an artistic and contemporary achievement: musicians can appreciate the layering of genres to create a fresh sound and music fans can expect an album that they will listen to again and again. Each song opens with memorable hooks that take no prisoners with their excellence. The first single Lovers Rock, with its strong and edgy lyrics, has strong overtones of genres such as Motown and Blues and explores different sounds with its varied instrumentation. The title track Set Free sets the stage with its rock motifs and soulful vocal arrangements. Losing Yous touching and human message of loss is reflected in Joys raw vocals and piano accompaniment.
