Juanita Wright of North Carolina is a woman inspired by the Holy Spirit to grab a hand held tape recorder and start capturing the words and melodies going through her head. She has played a leading role in God's extraordinary performance to bring the songs captured on that hand held recorder to your hearing. Each song on the CD carries a message very personal to Juanita as described in her Testimony on track 7. We praise God if after listening, just one person: o Is saved (track1), o Becomes grateful for the little things (track 2) o Rejoices (track 3) o Comes to know Christ (track 4 5) o Learns to depend on Him (track 6) o Finds the words to say I'm sorry or I forgive you (track 7)
