Hip Hop: Innovative, creative and groundbreaking are the only words to describe his style. 5 MP3 Songs

HIP HOP/RAP: Hip Hop, HIP HOP/RAP: West Coast Rap Details: K.O. (Kid Official) was raised in a suburban town where there was minimal gang violence and hip-hop was literally band for a span of about 7 years. No BET, no urban movies, no urban radio stations, NOTHING! It was KO's goal to change this, so he set out doing shows first at churches, promoting positive thinking and from there his reputation grew. It was on to doing BIGGER venues in different parts of the country, from shows with Destiny's Child, Nelly Furtado and KRS-ONE.....to Recording with Britney Spears and Maverick recording artists Shifty and Paul Oakenfold. And that's just a small portion of his resume. KO continues to grow as a producer, artist and songwriter, so be on the lookout for him in 2006!!!! The song titled "Break 'Em Off" has been climbing the charts and made an explosive debut in the streets and in radio. K.O. crosses two styles together; east coast flow with a west coast feel. "So Bucc" Feat. Lil "C" from the movie RIZE is what they call "BUCC" music in the streets. Inspired from the dance style called "KRUMP" which is an aggressive dance style originated in South Central, Los Angeles. Blazin' track with a slow-grimey beat that will have your head bobbing within the first few seconds.
