Traditional country gospel music. 11 MP3 Songs COUNTRY: Traditional Country, GOSPEL: Country Gospel Details: For as long as I can remember, my whole family loved to sing. I grew up in W.V. in the late 50's and early 60's. We listened to country-western and gospel music. I learned to play the guitar in high school and played country music until I was discharged from the army in 1971. In the early 70's, I committed my life to Christ and began to sing gospel music. I have been in full time gospel ministry for the past 30 years. I still love the original, old fashioned country music style, and I am continually meeting people that would much rather hear the original country sound. I hope my songs will be played across the country and bring the sunshine of God's love into everyone who hears them. -Larry Cochran-
