Telling it like it is, she weaves lyrics of love, heartbreak and social injustice with memorable melodies of blues, rock, folk, country and jazz. This incredibly produced album gives you originality, musicality and professionalism 12 MP3 Songs FOLK: like Joni, ROCK: Folk Rock Details: Nikki Rouse is an extraordinary songwriter, with an impressive vocal range that can whisper like Sara McLaughlin or soar like Nancy Wilson. Her unique finger-style guitar work and interesting melodies compliment her poetic lyrics, telling stories about life, love, relationships, social injustice and even an occasional political commentary. She has been compared with artists ranging from Patti Smith to Jewel, and Bonnie Raitt to early Heart, but she really has a style all her own, with influences from every style and genre of music.
