Modern, world music based on ancient Hebraic themes 12 MP3 Songs WORLD: Judaica, WORLD: World Traditions Details: Rebbesoul is the leader and driving force of his band which blends together the sounds of traditional Jewish music with African, Middle Eastern, and Eastern European rhythms. His third album, RebbeSoul-O, is the soundtrack to his one-man play describing his musical journey. "An outstanding acoustic guitarist, Burger also plays balalaika and mandolin while singing in both Hebrew and English. His compositions take acoustic rock into a mystical realm, and the traditional tune Avinu shines in an arrangement that fits wonderfully with the gorgeous melody." - Playboy
