SMOOTH, COOL JAZZ at its best. Chicago bred, Memphis educated, New York inspired, California dreamin. One love.... 9 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Jazz Fusion Details: Instrumental Groove Music Tired? Lonely? Your getup and go has got up and went and worst yet Doctors are no help! You feel as if you have no where to turn, well here's the Bad news, you have what is called MDS (Music Deprivation Syndrome). Want the Good news, you can be Cured! Hope is just a click away with Reginald T. McCants debut CD, Thank You; you'll feel like you got just what the Doctor ordered. In fact it's better than what the Doctor ordered because you can take as many doses per day as you want with no harm to your health. In fact the more doses you take the better you'll feel!!! What is a dose? One dose equals one listen to any track from McCants' CD Thank You. For Example: I'll list four doses(tracks) for you to preview right now to cure four symptoms(ailments you may have in your life). Symptom 1: You find yourself reminiscing about the good ole days when life was perfect you had the dream job, the dream relationship, you where in shape, and it seemed like the world was yours the sky was the limit! Now you're wondering what happened where did the time and my body(smile) go to??? Remedy 1: Take a dose of Track 4 , Back to You, this track will make you reflect back to how you used to be the energy , the drive, the ambition you had back then will start to rise up in you again as the music begins to build so will those passions of old, the desire will take hold of you once more and before you know it you will be Back to You!! Symptom 2: All Show and No Tell(meaning you talk too much!). Remedy 2: Track 5, Talk is Cheap, When this track begins you know it's time to take care of business no B.S. if you know what I mean. From the pulsating groove to McCants' percussive piano this track bites at you like a shark! Guaranteed to make you move in your seat, car, or wherever one word describes this track Funky! Symptom 3: Can't finish a task, always starting something but never completing it. Remedy 3: Track 6

sometimes you just have to get, Ugly! I'm talking about that face that Michael Jordan use to make when he would dunk on someone, that face you make at the peak of an orgasm! that face you make when you've paid your last car note! After listening to this track you'll complete anything you ever begin; take as many doses as you like. Symptom 4: Frustration, Anxiety, Nervous Stomach. Remedy 4: Track 8 Peace of Mind, is what you need and this track provides just that, from the Do Wop vocal type of introduction to the flowing vocal hook on to McCants' smooth as silk piano delivery which all flows over a groove that is as mellow and relaxing as a \$500 massage...Take 2 doses and call me in the morning.....
