The long-awaited new album from Richard Haswell - "...a cut above many self-made rock stars moments of moving lyrical poetry a surprising strength of vision." Is This Music 10 MP3 Songs FOLK: Modern Folk, ROCK: Acoustic Show all album songs: The Julius Work Calendar Songs Details: "...the popular music press must have missed on out on this musical treasure there is the beauty of fragility broken in these songs. a distinctive talent who should have broken through to wider acclaim. Woven Wheat Whispers "...soft melodies and pithy, world weary lyrics contrasting brilliantly ... the songs sparkle with electricity... recommended as the perfect doorway into a weird and wonderful universe you may recognise as your own. " Terrascope Online "...a cut above many self-made rock stars moments of moving lyrical poetry a surprising strength of vision." Is This Music "...a fantastic prospect ... beautifully layered guitar playing and voice ." Fact Magazine "... a wonderful, eccentric and heavenly melody maker ...a breath of fresh air with a twist of leftfield beauty.." Matchbox Records "... It's odd but draws you in, especially beats driven tracks like Red Sky, Forest Fear (Live) and Solid Ground which sound like The Wall-era Pink Floyd in their hypnotic qualities. " Daily Record "a collection of especially excellent songs...The charm and quality of Rhubarb's songwriting and instrumental / arranging abilities shine through...cleverly assembled...a fantastic offering."
