melodic expermental ambient electronic instrumental soundscape 22 MP3 Songs in this album (53:32) !

Related styles: ELECTRONIC: Experimental, AVANT GARDE: Sound Sculpture People who are interested in Pink Floyd The Ventures Jean Michel Jarre Jean should consider this download. Details: I Spent the final decade of the previous millennium immersed in the canyons of the Colorado Plateau. The beauty of that place moved me to create this music, which, although inspired by, remains no more then an echo of the magnificence of nature. I wanted so very much to hold on to the feeling of tranquill power that came whenever I walked within that splendor.
