A distinguished mix of rhythmic melodies and unfaltering intense vocals underscore this debut pop rock album. 5 MP3 Songs POP: Pop/Rock, ROCK: Adult Alternative Pop/Rock Details: Take a unique unfaltering female vocalist, add into the mix a guitarist, bass player and drummer with combined experience of over sixty years of making music, topped off with professional production, engineering and mastering and you have the recipe for an exceptional product. That's what you get with Tara Hacks debut cd titled "See You Soon". Tara Hack is a singer/songwriter who plays acoustic guitar (lefty) and receives accolades for her particular vocal sound wherever she performs. The debut five song compilation was the brainchild of Joe Napoli of Cloud 9 recording studio a few years back when Tara was 16 years old and her parents got her some studio time as a gift. Once Joe heard her he was determined to unite her with other musicians to bring her songs to a higher level. Tara began experiencing unexplainable abdominal pain that put the project on hold for a couple of years and upon her reuniting with Joe a new song about her physical struggle, "Broken" was added. Jack Napoli on lead guitar, Al Improta Jr. on bass and Joe Chirco on drums and percussion, all with their own extensive resumes combine with Tara to create a classic pop rock record. The lead track "Over and Over", the title track "See You Soon", and the final cut "I Thought" are all pulsating, rhythmic, cogent conveyances of young hearts in love. "Looking Down" is a tribute to a friends loss of a loved one but will aid the healing process for anyone dealing with the grief associated with the death of a loved one. People who are interested in Sheryl Crow Michelle Branch Avril Lavigne should consider this download.
